Employment/Professional Experience

Design with Nature, Wheaton, Illinois

Landscape Laborer (Summer 2020)

Assisted in the removal of non-native species on a 5 acre residential property and prepared the parcel for hardscape plantings.

BGIS Electrical Engineering, Remote

GCET Intern (December 2020-January 2021)

Supported GCET Team and analyzed the potential financial costs and benefits of installing an alternative cooling solution for data centers. Presented findings to company management.

MagnetStreet, Carol Stream, Illinois

FedEx Packout (Summer 2021-Winter 2022)

Fulfilled multistep custom printing orders ensuring quality control. Assembled, packaged, and shipped products via FedEx, UPS, and USPS.

Harvest Investment Services, Oakbrook Terrace, Illinois

Financial Intern (Summer 2022)

Provided general support for a financial advisory firm. Automated client accounts for the company. Attended client meetings. Helped prepare client records and trading history for an SEC audit.

Volunteer Work

College Church, Wheaton, Illinois

Bridge Discipleship Co-facilitator (Fall 2021-Present)

Participated in a leadership group where I co-facilitated high school youth groups of my peers and led them in Biblical discussion.

STARs Ministry Volunteer (Fall 2019)

Participated in recreational activities with members of my church's disabled persons ministry.
