Professional Experience

401k Retirement Account Portfolio Manager

May 2023-Present

- Managed a sizable retirement portfolio, collaboratively (alongside four other managers) determining strategic asset allocation of a \$120,000 investment.
- Using a Vanguard Target-Date fund as a benchmark, screened and researched a variety of Vanguard ETFs (of a variety of asset classes) to fit client preferences.
- Drafted and implemented a comprehensive Investment Policy Statement (IPS).

RE/MAX Properties: The Val Hansen Team

June 2022-July 2022, April 2023

Private Contractor | North Little Rock, AR

- Collaborated directly with the CEO of two major Real Estate firms, working on a variety of projects.
- Worked roughly 16-hour days (Monday-Friday), and 12-hour days on Sunday.
- Led property showings and oversaw an extensive portfolio of over 100 rental properties, inclusive of maintenance, groundskeeping, and tenant relations.
- Tasked and trusted with hiring new employees for database construction projects.

KD Specialty Contractors

June 2023-July 2023

Intern | Russellville, Ky

- Conducted Certified Payroll Reporting in compliance with state regulations using the California State CPS system.

State Farm

June 2020-July 2020

Intern | Hopkinsville, Ky

- Conducted proactive outreach to potential clients, cold calling 250+ numbers per day and filling out quotes for leads.

Extracurricular Activities

Hillsdale College Investment Club (Since October 2021)

Director of Investor Relations | Hillsdale College, Michigan

December 2022-Present

- In partnership with two co-leaders, spearheaded the strategic restructuring of the Investment Club.
- Spearheaded networking events, actively engaging high-profile alumni to attend.
- Coordinated closely with Hillsdale College's Director of Business and Industry, ensuring top-tier event management.
- Scheduled photoshoots, managed payments to contracted workers.
- Maintained and updated the Investment Club's online presence.

Hillsdale College Investment Club Portfolio Manager

September 2021-Present

- Collaboratively managed a \$90,000 U.S. equities portfolio, focusing on value addition and capital growth.
- Vetted companies for portfolio inclusion, employing DCF, OCF, and essential financial ratios for evaluations.
- Directed Health Sector analyst team, spearheading team discussion and research and leading stock pitch presentations.

Certified Student Pilot

October 2019-Present

Hopkinsville-Christian County Airport | Hopkinsville, Ky

- Gained 60+ hours of flight experience, including 15+ hours solo, supplemented by extensive study.
- Enhanced decision-making and communication skills under pressure.
- Demonstrated mental stamina, correcting flight instruments for environmental changes over long hours.

Demonstrated the ability to learn things quickly during instruction, such as new maneuvers and flight-specific disciplines.
